It is our sincere pleasure to announce that this year's Parent Petroleum Golf Classic will take place on Monday, August 25th. This year's event holds special meaning for all of us here, as it commemorates the **28th anniversary** of our charitable golf outing and collective desire to give back to the community through your support. As in years past, all proceeds from this event will be donated to the Parent Petroleum Foundation, a 501(c)(3) charitable organization developed to raise awareness and funding for advancements in Health, Human Services, and Education:

<http://www.calsangels.org>
Cal's Angels is a pediatric cancer foundation dedicated to granting wishes, raising pediatric cancer awareness, and funding research. The organization's mission is to bring hope and help to children battling cancer and their families.
